Slumber, my darling, God is watching over you,
Sleep on, my loved one, may your happy dreams come true.
Life's but a pathway, to the golden world beyond,
Slumber, my darling, God is watching over you.

Stars now are shining, not a single cloud appears,
May thy life's journey, be as free from all its fears.
Angels surround thee, chanting hymns of heavenly praise,
Slumber, my darling, He will wipe away your tears.
Good-night, my dear, Good-night, my dear.
